PRODUCTS

EXPANDABLE SHELTERS

- SETUP TIME: 30 MINUTES
- SEAMLESS SYSTEM INTEGRATION ON 33M²
- EXTREME CLIMATE ZONE RESISTANT
- ISO COMPLIANCE & CSC CERTIFICATION

LIGHTWEIGHT SHELTERS

- EXTERNAL & INTERNAL SYSTEM INTEGRATION
- SCALABLE IN HEIGHT & LENGTH
- EQUIPMENT STORAGE & COMMAND POST COMBINED
- STANDARD HANDLING COMPATIBILITY

HOOGLIFT/SPECIAL SHELTERS

- STANDARD HANDLING COMPATIBILITY
- MAXIMIZED INTERNAL VOLUME
- ISO STANDARDS COMPLIANCE
- CSC CERTIFICATION

MOBILE HOSPITALS

- EXTERNAL & INTERNAL SYSTEM INTEGRATION
- EXTREME CLIMATE ZONE RESISTANT
- SCALABLE IN HEIGHT & LENGTH
- ISO STANDARDS COMPLIANCE

FLATRACK PLATFORMS

- STANDARD HANDLING COMPATIBILITY
- OPTIMIZED FOR HEAVY PAYLOADS
- FLEXIBLE MULTI-SIZE FREIGHT SYSTEM
- LASHING POINTS: 2 - 8 TONS

HIGH-PERFORMANCE MOBILE SYSTEMS

We deliver mobile container - based solutions tailored for modern missions. Built for extreme conditions and rapid integration, our systems adapt seamlessly to diverse operational needs.

DIFFERENT SYSTEM CONFIGURATIONS

We offer system configurations tailored to different tasks, missions, and field needs. Built for full flexibility, they adapt quickly and seamlessly to various roles and environments.

SEAMLESS SHELTER INTEGRATION

Our shelters are designed for smooth integration into existing systems and workflows. Modular, scalable, and mission-ready, they connect effortlessly across applications and environments.

MODERN 5000M² PRODUCTION AREA

With 5000m² of modern production space, we ensure full control, high quality, and efficient workflows. From concept to assembly, everything is handled in-house. Trumpa, rit

INTEGRATED SOLUTIONS

- SEPARATE TECHNICAL COMPARTMENT
 - INTEGRATED GENERATOR
 - POWER MANAGEMENT SYSTEM
 - ELECTRICAL INLET/PANEL
- HVAC SYSTEM
 - HEATER
 - AIR CONDITIONING
 - DEHUMIDIFIER
 - FLOOR HEATING
- IT INFRASTRUCTURE AND MAST SOLUTIONS
- WATER AND SEWAGE INTEGRATION
- SIDE DOORS & WINDOWS
- LASHING POINTS & RAIL SYSTEMS
- FLOOR COVERING OPTIONS:
 - ALUMINUM/STAINLESS STEEL CHECKER PLATE
 - PLYWOOD
 - VINYL
 - SPILL OIL GRATINGS
- INTERIOR INTEGRATION
 - FURNISHING, DESK, CHAIRS, WORKING BENCH, MODULAR STORAGE SOLUTION
 - MONITORS/PROJECTORS/WHITEBOARDS
 - WORKSHOP MACHINERY, OFFICE EQUIPMENT
- LEVELING JACKS
- EXTRACTABLE CRANE
- ADDITIONAL CUSTOM SOLUTIONS AVAILABLE UPON REQUEST

ADDITIONAL SOLUTIONS

- TEMPEST SOLUTIONS
- EMC/EMI SOLUTIONS
- EMP PROTECTION
- SOUND ATTENUATION
- FIRE PROTECTION PANELS
- CARC PAINTING AND MOULD RESISTANT PAINT
- OPTIONAL ARMOUR
 - STEEL PLATE MOUNTING
 - COMPOSITE MATERIAL INTEGRATION
- TENT AND VEHICLE CONNECTIONS
- ADDITIONAL CUSTOM SOLUTIONS AVAILABLE UPON REQUEST
